Expected Graduation Year: 2025

Skills

- Programming Languages: Dart
- Mobile Development: Flutter
- Version Control: Git, GitHub
- Development Tools: Android Studio, VS Code
- Operating Systems: Windows, macOS, Linux

Kirtan Narola

FLUTTER DEVELOPER

TO WHOM IT MAY CONCERN,

I am writing to express my unwavering passion for mobile app development, particularly in the realm of Flutter. As a first-year BSCIT student, I am wholeheartedly dedicated to honing my skills and knowledge in this field. My journey in information technology has ignited a deep fascination for creating innovative and user-centric mobile applications. With a powerful command of the English language, I am committed to effective communication and collaboration with remote teams, a crucial trait in today's globalized tech industry.

Throughout my academic journey, I have diligently pursued courses that provide a strong foundation in programming fundamentals, software development, and related disciplines. My proficiency in Dart and JavaScript, along with hands-on experience in developing Flutter-based applications, has prepared me to tackle complex challenges in mobile development.

Thank you for considering my application. I eagerly anticipate the prospect of discussing how my skills and passion align with your organization's goals.
